Dear Alhambra Partners and Guests,

I want to start by wishing congratulations to the incredible cast and crew of our last show, *My Fair Lady!* Audiences and critics raved about the show, and it was pure magic to hear the theatre filled with cheers and applause night after night. The show was completely sold out, and that's always exciting.

Speaking of fan favorites...it's finally time for my favorite, *Charlie and the Chocolate Factory!* I absolutely love this time of year - when multiple generations are watching the show together. It's heartwarming to see kids, parents and grandparents all sitting at the same table, laughing and singing together. It reminds us what the Alhambra is all about: making memories together. Thank you for being here with your friends and family, sharing the joy of live theater with us.

For those who might have missed the announcement, I want to personally share some exciting news. We recently purchased, renovated, and reopened the Dick's Wings & Grill on Atlantic Boulevard and St. Johns Bluff Road. You've supported us through every chapter at the Alhambra, and I'm honored to welcome you to this next adventure. Just like we've done at the Theatre, we've preserved the heart of a local favorite and raised the bar—both in style and in flavor. I hope you'll make Dick's Wings on Atlantic and St. Johns Bluff one of your new go-to spots—just like the Alhambra has become for so many of you.

On April 28, the Alhambra was recognized by the writers and readers (and you!) of USA TODAY as the #1 Dinner Theater in America. On June 10, we were recognized by Congressman Aaron Bean with a United States Congressional Proclamation letter in honor of our award. This is all thanks to you - our Season Partners, guests and staff. Thank you, thank you, thank you for supporting the Alhambra and for voting for us.

Finally, let me tell you about our next two shows of the season, which are both "must sees" and sure sell outs. "*Come from Away*" tells the story of 7,000 stranded passengers and the small town in Newfoundland that welcomed them after 9/11. It is a musical filled with hope, heart and inspiration and I know you're going to love it. "*The Mystery of Edwin Drood*" is truly a unique show for which you get to vote on the ending. Charles Dickens passed away before finishing the book. There are more than a dozen ways it could end and each night you get to decide which one. You may not be familiar with the title, but this is a really fun, really engaging show and I encourage you to be part of the action - we haven't let you down yet and we'll thrill you with this one. Come see it!

Thank you for spending your time with us. We're really glad you're here.

Your friend,

Craig
