SATURDAY NIGHT FEVER is presented through special arrangement with
Concord Theatricals/Broadway Licensing Global.

12000 BEACH BLVD. | JACKSONVILLE, FL 32246 | 904.641.1212

Dear Guests and Season Partners,

Welcome to *Saturday Night Fever*. This show—and perhaps even more so, the movie—brings back different memories for each of us. For some, it's the iconic music, with songs we know by heart. For others, it's John Travolta's unforgettable dance moves in his breakout role.

For me, it's all of that and something more personal. Most of you don't know that my older brother, Gary, was a competitive dancer growing up. This show brings back wonderful memories of watching him light up the dance floor—the very definition of joy.

Whatever you remember most fondly about the disco era of the '70s, I know you're going to love this show, and I'm glad you're here to celebrate it with us.

I'm also happy to report that you secured seats to a production that was 100% sold out before it even opened. While most of our shows are already more than 90% sold when they open, I can count on one hand the number that have been completely sold out in advance—excluding our Christmas productions and music tribute shows, of course.

It's a wonderful problem to have as the owner of this iconic theater, but it brings me more angst than joy because it means we don't have room for everyone who wants to join us. That brings me to our next production—and the only show for which we still have tickets—*Meet Me in St. Louis*.

It may be one of the lesser-known Great American Classics, but boy, is it good! Based on the beloved MGM film that helped make Judy Garland a Hollywood icon, the show follows a family anticipating the excitement of the 1904 World's Fair.

You'll hear favorite songs including "Skip to My Lou," "The Trolley Song" and, of course, "Have Yourself a Merry Little Christmas." Our production will feature a sensational live orchestra, unforgettable characters, romance and plenty of laughter. I'm telling you all this because I don't want you to miss out. Get your tickets today.

Finally, here's a "pro tip": We hope to announce our 2027 season in mid-September—and it will be our 60th year! We've chosen an incredible lineup to celebrate this milestone, and you're going to want to join us for the entire season.

As always, our current Season Partners will have the first opportunity to renew. We'll then open subscriptions to our newsletter subscribers before announcing the season to the general public. If you want the best prices, the best seats and advance notice of all our surprise shows, a Season Partnership is the way to go.

If you don't already receive our newsletter, simply visit AlhambraJax.com to sign up. You'll be glad you did.

In the meantime, enjoy the show!

Your friend, *Craig*
