Welcome to one of my favorite shows, *Shrek the Musical*.

There are so many reasons I love this production. I love seeing the theater filled with multiple generations of families sharing an evening together. I love the unforgettable characters — Donkey, Fiona, Lord Farquaad, and, of course, the big green guy himself. The cast, costumes, and sets are spectacular, and I cannot wait for you to experience this show with us. It's truly a romp in the swamp, and I know you're going to love every minute of it.

And just like that, here we are in June — halfway through the year and halfway through the 2026 Alhambra season.

What an incredible run we had with *1776* as we celebrated our nation's 250th anniversary. That show reminded us that great things can happen through true compromise and that the United States remains the greatest country on Earth. Congratulations to the cast and crew on a phenomenal production and a collection of rave reviews from critics and guests alike.

We've still got some fantastic shows coming your way.

We recently announced the return of fan favorite Gail Bliss this August. Gail will perform a special concert featuring the greatest hits of Patsy Cline — and you do not want to miss it. This is not our beloved production of *A Closer Walk with Patsy Cline*, but Gail herself performing live in concert as a tribute to Patsy. It's going to be an unforgettable evening with an amazing band and an extraordinary singer.

Then, get ready to put on your dancing shoes for *Saturday Night Fever*. You know the movie. You know the songs. Starting in August, come relive the disco era live on our stage in a true walk down memory lane.

And speaking of fun for all ages — I know it may seem a little early — but tickets are already selling quickly for *Meet Me in St. Louis*.

Based on the beloved MGM classic that helped make Judy Garland a Hollywood icon, this nostalgic musical is set during the 1904 World's Fair and offers a heartwarming look at family life at the turn of the century. You'll hear timeless favorites like "Skip to My Lou," "The Trolley Song," and, of course, "Have Yourself a Merry Little Christmas." With a sensational live band, unforgettable characters, romance, and laughter, this production promises to be something truly special.

And I'll say this: if you loved *1776*, you're going to love *Meet Me in St. Louis*.

It's shaping up to be an exciting second half of 2026, and I'm looking forward to spending it with you.

Your friend,

Craig
